Subject: SAB request for Appendix F data

---

Deb -

Hi - Diana Wong (SAB Staff) called with a request from one of the SAB review panel members. They would like a copy of the source data for Table F-1 and F-2. We do not have these data here at NCEA.

Appendix F was written by University of Cincinnati researchers, under contract to Region 8. Do you have these data to forward to the SAB Panel? If not, can you get the data from Univ. of Cincinnati?

As one of the charge questions to the SAB is the peer review of Appendix F, it would be helpful to provide these data to the panel as requested.

Please let me know if this can be done,  
Thank You,  
Danielle
